

How to pay on with Credit/Debit Cards

For Internationals

Step One #1 Click on The Order Now

Step Two #2. Click on The Place Order

Step Three #3. Fill Credit/ Card Information

The screenshot shows a payment interface with a progress bar at the top indicating three steps: 1. SELECT (completed), 2. PAY (current step), and 3. FINISH. The main area is titled "Please enter card details:" and contains several input fields: "Card Number" (with a masked number 1234000000000000), "Mobile Number", "CVV" (with a masked number 1002), and "Card Expiry" (set to January 2020). A red "PAY" button is located at the bottom right of the form. On the right side, there is an "ORDER DETAILS" section with the following information: Outlet: Thee Lance, Order ID: 3421, Description: SMS Marketing Software for sale, and Amount: PKR 500.00. Below this, a timer indicates "Session will expire in: 113 seconds" with a green circular progress indicator. At the bottom right, there is a Norton logo and the text "ABOUT SSL CERTIFICATES".

Thank you very much!
